**RE: Voluntary Cleanup Site # C068, Parcel A-2, Silver Creek-Robert Larsen Investors, LLC
Lower Silver Creek, Park City, Utah**

Dear Mr. Larsen,

As you are aware, Robert Larsen Investors, LLC entered into a Voluntary Cleanup Program (VCP) agreement on June 7, 2010, to address the subject site. The site was subsequently sampled in August of 2010, in accordance with a workplan accepted by the Division of Environmental Response and Remediation (DERR) and the U.S. Environmental Protection Agency, Region VIII (EPA). To date, the DERR has not received a report relating to the investigation. In addition, the DERR has been made aware that ownership of the property may be changing and Robert Larsen Investors, LLC may no longer be the owner of the site.

The purpose of this letter is to request a status update regarding the subject site. Please indicate if Robert Larsen Investors, LLC will remain the applicant of record or whether another party will become the new applicant of record. In addition, please indicate if you plan to proceed through the VCP and when the Sampling and Analysis Report, noted in the workplan, will be submitted for the DERR's review.

The DERR looks forward to hearing from you and requests a response upon receipt of this letter. Should you have any questions regarding this letter, the agreement or the Voluntary Cleanup process, please contact me at (801) 536-4092.

Sincerely,

Elizabeth Palmer (formerly Yeomans), Project Manager
Division of Environmental Response and Remediation
